

RS Pro Clear 3D Printer Resin, 1kg

ENGLISH

RS Stock No.: 145-8343 | Brand: RS Pro

Product Details

Firm UV polymers are ideal for making objects where you want a very hard object with slight compressive ability under high force and minimal shrinkage. Objects will bend a little and stretch slightly when under duress. They exhibit high tensile shear properties and limited elongation, objects can only be bent and compressed with force.

Specifications

Attribute	Value
Printing Technology	SLA
Printing Material	Resin
Machine Specific	Yes
Colour	Clear
For Use With	Laser Printer
Weight	1kg
