

Features

- **Complete Combo Set** – Includes the Universal Butterfly Valve Lockout paired with the cable lockout for fully secure valve isolation.
- **Flexible 1-Meter Steel Cable** – Multi-stranded, PVC-sheathed cable allows easy routing around the valve body and adjustable tightening before lockout.
- **Built-In Hasp Design** – The cable lockout accommodates up to 6 padlocks, enabling multi-worker safety compliance.
- **Butterfly Valve Handle Jammer** – Specifically designed to jam the valve lever release trigger, freezing the valve in the OFF position.
- **Industrial-Grade & Versatile** – Suitable for various butterfly valve sizes across multiple industrial applications.

RS PRO Universal Butterfly Valve Lockout with 1 Meter Cable Lockout Set

RS Stock No.: 0750831

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- *A specialised combo set combining the Universal Butterfly Valve Lockout and cable lockout for superior industrial safety.*
- *The Cable lockout includes a 1-meter flexible multi-stranded steel cable with a PVC coating for smooth threading, adjustable tensioning, and secure lockout.*
- *Designed with an ergonomic built-in hasp that holds up to six padlocks, ideal for group lockout or multi-operator maintenance tasks.*
- *The Valve lockout device is engineered to jam the butterfly valve lever release trigger, preventing any movement or accidental operation of the valve.*
- *When placed between the valve lever and release trigger, the hinged design engages securely, locking the valve in a fixed, inoperable position.*
- *For additional security, the Valve lockout is fully compatible with the cable lockout system—simply pass the cable around the valve body and through the device hole.*
- *Padlocks can be applied to the cable lockout for multi-layered safety and compliance with industrial lockout procedures.*

General Specifications

Type	Universal Butterfly Valve Lockout with Cable Lockout Set (1 Meter Cable)
Material	Glass-filled & Metal, ABS
Colour	Red
Package	BOPP

Mechanical Specifications

Weight	120 Grams
--------	-----------

Operation Environment Specifications

Withstand temperature	-30°C to +110°C
-----------------------	-----------------

Combo Contains:

Item Name	Item Description	Quantity
Butterfly Valve Lockout	Universal Butterfly Valve Lockout	1
Cable Lockout	Adjustable Cable Lockout with 1 Meter Cable	1
