

E70233

Connector

Cage clamps / 100 pcs.

Electrical data

Max. load current	[A]	10; (2,5 mm ²)
-------------------	-----	----------------------------

Operating conditions

Ambient temperature	[°C]	-40...115
---------------------	------	-----------

Mechanical data

Weight	[g]	690
--------	-----	-----

Materials	current carrying parts: copper alloy tin-plated; PA	
-----------	---	--

Tightening torque	[Nm]	0.5
-------------------	------	-----

Remarks

Pack quantity	100 pcs.
---------------	----------

Electrical connection

0.2...2.5 mm²; Abisolierlänge: 9...10 mm
