Description

High performance deep penetrating, fast evaporating solvent based degreaser designed to quickly remove grease, oil, dirt and grime from engine, tool, equipment and hard surfaces. Suitable for use in industrial, automotive, polymer processing, general engineering and textile applications.

- Fast acting and effective cleaner and degreaser
- Powerful flushing action to quickly remove contaminants
- Evaporates to leave a clean, dry surface
- Can be used on ferrous and non ferrous metals and most plastics

Directions for use

Shake well before use. Hold in an upright position, spraying from a distance of 30cm. Allow product to work for a few minutes before removing.
