Pal Hairnets

Pal hairnets are available in two weights. Our lightweight hairnets are made from open weave nylon with an elasticated edge; they are available in four colours and are supplied on a ring dispenser. Our Heavyweight Hairnets are made from a closed nylon mesh with an elasticated edge; they are available in three colours and are supplied in small rolled balls. The blue heavyweight hairnets are available with a metal detectable clip.

Areas Of Use:

Suitable for use in food preparation, manufacturing and catering environments. This product has been manufactured from materials which are safe for use in food environments.
