RS Stock No.: 729-2981

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS Pro Round lifting slings provide shock absorption and excellent wear resistance with 2 and 4 leg load capacities. Round lifting slings are colour coded ensuring you use the correct sling applicable to the load capacity for the lifting sling. Polyester lifting slings are lighter than chain slings plus help to prevent damage to the load.
