

Roller Conveyor St D30 T1 ESD with Flanged Wheel, black similar to RAL 9005

The roller conveyor profile of Roller Conveyor St D30 T1 ESD with Flanged Wheel is made of 1 mm sheet steel and can be easily cut to the desired length. It uses smooth-running roller elements on steel axles.

A large selection of fastening brackets makes it possible to create conveyor lines in a whole host of installation scenarios and at any angle. Simply push the roller conveyor into the fastening bracket and mount it on the (Profile) Tube.

Scope of Delivery

Roller conveyor profile, St, bright zinc-plated
