## RS PRO World to Europe, US Plug Travel Adapter, Rated At 15A/Europe Plug, 15A/US Plug

RS Stock No.: 0446996

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

### RS PRO World to Europe, US Plug Travel Adapter, Rated At 15A/Europe Plug, 15A/US Plug

This World adapter plug receives plugs from all over the world and converts them into one specific country, but it can also convert them into all European and US plugs, making it an ideal solution for travellers who normally visit a specific destination, but also visit other European countries. This World adapter plug is perfect for Conference Centres and Hotels, with more than 150 countries applicable in Europe. This Plug Adaptor can also support power-hungry devices like Laptops and Hairdryers.

#### Features and Benefits:

- World to Europe Plug Adaptor with IEC60884, UKCA certifications.  
EU to US Plug Adaptor with IEC60884 certifications.
- Full copper, flame-retardant PC material and safety shutters, durable and safe.
- Compact shape & widely use.
