RS PRO Safety Knife Snap-Off Blade, Retractable

RS Stock No.: 0316035

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO Safety Knife with Snap-off Blade, Retractable

Introducing the RS PRO compact utility knife, designed for cutting materials within an industrial and commercial environment. This RS PRO retractable knife features a snap-off blade function letting the user safely remove a section of the blades once it has become blunt and un-useable, making it a durable multi-purpose knife that can be used in a range of harsh environments and on a variety of applications.

Features and Benefits

- *Safety knives are commonly used in a variety of industries that require a safe way to cut through an array of materials*
- *Suitable for usage in: Retail, Warehousing, DIY, construction & much more!*
- *This safety knife is used with 9mm blades, split into segments. The user can snap off the blunt end and use the below segments*
