RS PRO SADDLE CHAIR

RS Stock No.: 0687596

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Our RS PRO Saddle Chair is a robust and ergonomic seating solution designed for demanding industrial and technical environments. Its modern saddle-shaped design promotes healthy posture and comfort, even during long hours of intensive use. Built with durable materials and easy-to-clean surfaces, it's the ideal choice for workshops, laboratories, and production areas.

Product Features:

- ✓ **Ergonomic saddle seat with tilt adjustment** – encourages a natural sitting posture and reduces fatigue during prolonged work
- ✓ **Durable vinyl upholstery** – resistant to wear and easy to clean, ideal for harsh working conditions
- ✓ **Five-star aluminum base** – ensures strength, stability, and long-lasting performance

A professional-grade seating option that combines comfort, functionality, and industrial durability – perfect for workplaces where performance and practicality matter most.
