RS PRO Hinges

RS Stock No.: 0726450

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

This is a zinc-plated steel pin hinge with a captive spring pin, allowing doors to be quickly removed without tools. It supports up to 180° movement and is screw-mounted externally on door and frame. Ideal for single and in-line cabinets where rapid access is required, the hinge suits both concealed and surface-mounted installations.
