

Oil Only SN Booms 13cm x 3m

Features:

- Absorbs and retains oils and oil-based liquids, including lubricants and fuels without taking in a drop of water
- Bright white colour makes booms easier to see in outdoor environments and clearly shows saturation level
- The larger 20cm boom is best for use in open water while the smaller 13cm is easier to handle and quicker to deploy and retrieve
- Clips are situated 60cm from the end enabling numerous booms to be secured together forming a long barrier
- Made from high quality polypropylene
