AMBERTRON CONTACT CLEANER

AMBERTRON is an electronic cleaning solvent which is ideal for the safe and effective cleaning of electrical contacts and switches.

New Formulation that does not frost on use thus preventing condensation on precision electrical parts and contacts

APPLICATIONS

Ideal for quick and efficient cleaning of:

- * PCBs , Electrical Contacts and Switches
- * Tape Heads
- * Electrical and Electronic Assemblies
- * Relays
- * Transistors
- * Condensers
- * Precision Instruments
- * Electric Motors
- * Communications Equipment

Safe to use on all plastic and rubber surfaces, the rapid evaporation of Ambertron ensures that no residues are left on the treated equipment.

N.B. Not for use on live equipment.

TECHNICAL DATA

| | | |
|-----------------|---|--|
| Appearance | : | Clear, colourless liquid |
| Odour | : | Hydrocarbon solvent |
| SG @ 25°C | : | 0.67 |
| Pressure @ 25°C | : | 3.0 Bar |
| Discharge rate | : | 1.1 g/sec |
| Solubility | : | Miscible with most organic solvents |
| Flammability | : | Classified as extremely flammable under current EC Regulations |
| Flashpoint | : | Not applicable in sealed aerosol |
| Packaging | : | 400 ml aerosol (12 per carton). Also available in non-aerosol, packed in 25 litres |

STORAGE

The product may be stored at normal ambient temperatures and has a shelf life of not less than 72 months with correct storage. Aerosols should always be stored below 50°C, away from direct heat and naked flame.

HEALTH AND SAFETY

Health and Safety sheet available separately.

TECHNICAL SERVICE

CRC Industries UK Ltd provides a technical support service and maintains a constant programme of research and development. We are able to assist customers by specific product development to meet particular requirements.

MISREPRESENTATION ACT 1967 TRADE DESCRIPTIONS ACT 1968

The information given in this publication is based on our experience and reports from customers. There are many factors outside our control and knowledge which affect the use and performance of our products and for which reason no warranty is given, express or implied. Users should make their own tests to determine the applicability of such information or the suitability of any products for their own particular purposes. Statements concerning the use of the products described herein are not to be construed as recommending the infringement of any patent and no liability for infringement arising out of any such use is to be assumed.
