Product Description

Please introduce the product with relevant details stating:

- *The RS Pro 228mm Stiff Bassine Deck Scrub is a robust and reliable cleaning tool designed specifically for tackling tough grime on exterior hard floor surfaces. Whether you're maintaining patios, wooden decking, or pathway areas, this deck scrub delivers effective results with its stiff bassine bristles that are ideal for scrubbing away dirt, moss, and debris.*
- *This Deck Scrub may not be suitable to cleaning some composite decking due to its abrasive nature.*
- *Can be used with water and compatible exterior cleaning chemicals.*
