RUBBERMAID 6L/1.6G STAINLESS STEEL ROUND STEP-ON WASTEBASKET, CHARCOAL

The Rubbermaid 6L Step-On Bin is the ideal size for washrooms, hotel rooms, and compact spaces where cleanliness and discretion matter. The slow-close lid reduces noise, while the hands-free pedal improves hygiene and minimises cross-contamination. The charcoal stainless-steel finish hides fingerprints, smudges, and dirt, maintaining a consistently clean and professional appearance. A removable liner allows for quick servicing and easy disposal, while the bag cinch system secures liners in place to prevent slipping. Compact, durable, and low-maintenance, this bin is designed for professional washroom and hospitality environments.
