RS PRO Heavy Duty Connector Housing & Hoods

RS Stock No.: 0319870

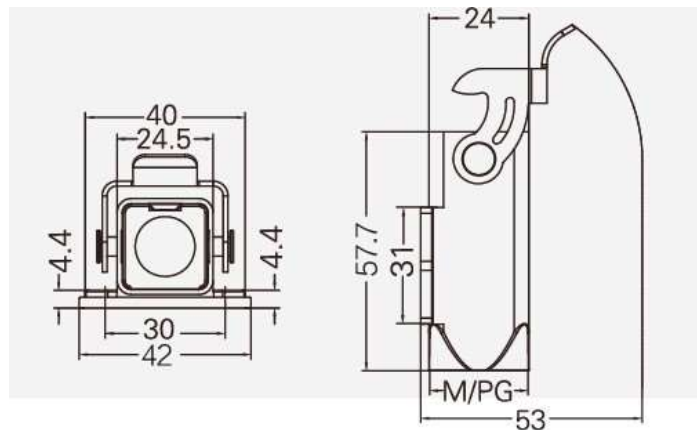

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

The RS Pro Heavy-Duty Connector series is a full range of heavy-duty inserts, housings, crimps and accessories. The housing is made from highly durable polycarbonate. They have a very slim and space saving design and a lever locking system to provide a secure connection. Housings can be used with RS PRO Heavy Duty Inserts.
