RS PRO Cable Gland Plugs

RS Stock No.: 0707071

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

A panel mount blanking cap is used to cover unused panel openings, protecting internal components from dust, moisture, and debris. It ensures a clean, professional appearance while maintaining safety and functionality. Commonly used in electrical and electronic enclosures, it also allows for future expansion without needing panel modifications.
