

DCS491N

DCS491N

Selling Proposition

- Compact and lightweight shear for cutting sheet metal
- D handle with rubber overmould for comfortable use in all orientations
- LED for improved visibility of cut
- Variable speed trigger for improved control

Standard Equipment

- Battery and charger sold separately

Warranty Specifications

- DEWALT 3 year European PT Guarantee (subject to registration)

Specifications	
Battery chemistry	XR Li-Ion
Voltage	18 V
Speed	0-2450 SPM
Cutting Capacity (mild steel)	1.3 mm
Cutting Capacity (stainless steel)	1.0 mm
