

FEATURES

- **Synthetic Rubber Adhesive:** Provides strong adhesion to surfaces like steel, ensuring secure placement.
- **Paper Backing:** Allows for easy tearing and application, enhancing user convenience.
- **50mm Width:** Offers broad coverage, reducing the need for multiple strips.
- **50m Length:** Ensures ample supply for extensive projects, minimising the need for frequent replacements.
- **0.09mm Thickness:** Balances flexibility and durability, suitable for various masking needs.
- **Blue Colour:** Enhances visibility for precise application and removal.

RS PRO 50mm Blue Masking Tape, Synthetic Rubber Adhesive

RS Stock No: 677-030

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO masking tape is designed for precision masking in painting and surface protection applications. With its synthetic rubber adhesive, it offers reliable adhesion to various surfaces, making it ideal for both industrial and DIY projects. The blue colour ensures high visibility, aiding in accurate application.
