Fire Alarm Accessories

Product Description

> • *The Fire Safety Document Cabinet has a clear perpex door which allows easy visibility of the documents inside the cabinet without the need for opening the door. It is lockable for secure storage or can come complete with a thumb lock for easy access. The cabinet features two shelves to help organise the folders and files for a quick response in case of an emergency situation. It is also wall mountable for increased visibility and easy access to essential Fire Safety documents.*
