

I-BEAM FATMAX PRO PROFILE LEVEL

GREAT ROBUSTNESS AND STABILITY:

- Ultra-resistant and lightweight profile level (aluminum)
- Outsole thicker and 3x more resistant to bending than classic profiled levels
- Shock absorbing tips at the ends

ERGONOMIC AND CLEVER:

- Ergonomics for optimal handling
- Easy to clean

PRECISION AND VISIBILITY:

- Increased accuracy: 0.5 mm/m
- 3 single-block flasks sealed in the level making them almost impossible to adjust
