

## FEATURES

- **Nylon Material:** Offers high durability and resistance to chemicals and corrosion, ensuring long-lasting performance.
- **7 mm Shackle Diameter:** Compatible with a wide range of circuit breakers, providing versatility in application.
- **Single Lock Design:** Simplifies the lockout process, enhancing safety and efficiency.
- **Available in Multiple Colours:** Black, Red, White, and Yellow options allow for easy identification and organisation.

## RS PRO 7 mm Nylon Circuit Breaker Lockout

RS Stock No: 710-495

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO 7 mm Nylon Circuit Breaker Lockout is designed to ensure safety and compliance in industrial environments by preventing accidental energisation of circuit breakers during maintenance. Its robust nylon construction provides durability and resistance to harsh conditions, making it ideal for long-term use in various settings.

## General Specifications

Colour	Black, Red, White, Yellow
Number of Locks	1
Product Type	Lockout
Sub Type	Circuit Breaker Lockout

## Mechanical Specifications

Material	Nylon
Shackle Diameter	7 mm

## Approvals

Standards/Approvals	ISO 9001, ISO 14001, OHSMS 45001, UKAS 0043
