

LABEL REMOVER

Versatile label remover

KEY FEATURES

- Quickly removes self-adhesive labels and tapes from all types of surfaces
- Also dissolves adhesive residues without leaving traces
- Quick and easy action on all surfaces – residue-free and without surface damage

AREAS OF APPLICATION

- Residues of neoprene and vinyl adhesives
Adhesive residue of stickers and labels on all surfaces:
Cardboard, plastic, wood, metal, etc.
- Quick cleaning of adhesive or adhesive tape residues on:
Anodized aluminum, stainless steel,
porcelain, enamel, tiles,
Formica, painted sheet metal, etc.
- Also removes:
Pencil, ballpoint pen and marker lettering
Stubborn dirt, grease and oil stains

HOW TO USE

- Shake aerosol well
- Spray directly onto the labels to be removed
- Leave on for a few seconds
- Use the capillary brush to mechanically support the chemical action
- For laminated labels, tear the film to facilitate the penetration of the product
