Keep your work environment squeaky clean with this spray bottle from RS PRO. You can fill the bottle with water or a cleaning agent of your choice, then use its pump-action trigger head to cover dirty surfaces in product. Graduation marks take the guesswork out of measuring fluids, while its blue head means it's easy to spot on the shelf. Simply unscrew the top, pour in your liquid, fasten tightly and away you go.

These RS PRO Spray Bottles offer:

- A 750ml bottle with graduation marks for the accurate dilution of fluids.
- Colour coded spray head
- Made from impact-resistant PE that stands up to knocks and bumps
- Washer helps prevent leaks
- Reusable to cut down on waste
