RS PRO USB-C 6-in-1 Leaded Adapter

Stock number: 2368994

EN

The RS-PRO USB-C 6-in-1 leaded adapter allows you to connect multiple devices to a USB-C port on your computer.

The adapter allows you to connect one HDMI display with a resolution of 4k@60Hz, two USB 3.0 ports (5Gbps, one port charges at 7.5w) it also has a SD/Micro SD card reader and a USB C port for power delivery 3.0 (100w, this port cannot be used for data).

The power delivery port allows you to connect your power adapter to the port and passes the charge through to your laptop or device and charges it.
