Product Description

Armrests for Industrial and Office Chairs – Non-ESD Version

Designed for use in standard industrial and office environments, these armrests enhance ergonomic comfort and user support during extended periods of sitting. Built with a sturdy black steel frame and durable polyurethane (PU) covers, they ensure long-lasting performance and resistance to daily wear and tear.

Key Features:

- **Ergonomic design:** Promotes comfortable arm positioning to reduce strain during long work sessions
- **Adjustable height:** Easily adapts to individual user preferences for optimal support
- **Durable construction:** High-quality black powder-coated steel and robust PU provide resistance to wear and common cleaning agents
- **Comfortable arm pads:** PU surfaces offer a soft yet firm feel, ideal for continuous use

Compatible with the following chair models:

- RS PRO Basic chair
- RS PRO Comfort chair
- RS PRO Polyurethane Chair
- RS PRO Economic chair
- RS PRO PU Comfort

If you have questions about compatibility with other models or require a customized solution, feel free to contact us.
