RS PRO Polyethylene 20 litre Spill Tray c/w grate

RS Stock No.: 893-0369

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

RS PRO 20 litres spill tray is made of 100% recyclable polyethylene. The anti-slip grate can be easily removed for cleaning and maintenance. The trays are typically used for storage of small to medium size containers. Any overspill during dispensing or decanting can be easily captured and contained by the 20 litres capacity sump.
