

Power Cable 5A 1.8M for LED Rope Plus 12x6.5mm

Article number: 147043

BAI Power Cable 1.8 meter 230V 5A with built-in AC/DC adapter for RoBust LED Rope Plus 12x6.5mm which has been cut (without connector) Max. 100M

Use this power cord when you've cut off a section of LED Rope 147031 or 147089 and want to use the remaining piece. To create a waterproof seal, use PVC glue. Apply glue to the LED Rope: 3-4 cm for the power cord, 1-2 cm for the end cap. Let it dry for a few seconds.
