Bevel brush – knotted wire  
 Ideal for working on hard-to-reach areas (due to the conical shape of the brush). Suitable for heavy-duty cleaning work at high circumferential speeds on smaller metal surfaces, in grooves or on edges, such as removing heavy rust, paint stripping, deslagging, deburring, descaling, cleaning welded seams. Suitable for heavy-duty cleaning work at high circumferential speeds on smaller metal surfaces, in grooves or on edges, such as removing heavy rust, paint stripping, deslagging, deburring, descaling, cleaning welded seams.
