

FEATURES

- Steel chains with welded links
- Galvanised finish
- Available in different link sizes
- Chains supplied boxed in 10m lengths

RS PRO Steel Galvanised Chain

RS Stock No.: 750-395

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Brought to you by RS PRO, this steel ink chain is constructed from welded steel and is suitable for suspension applications. With a galvanized finish for added strength and durability, the chains can be employed for storage and security applications.

[750-389](#) is a 10m chain with a 14L x 2.5 mm diameter link size

[750-395](#) is a 10m chain with a 24L x 2.5 mm diameter link size

[750-402](#) is a 10m chain with a 16L x 3 mm diameter link size

[750-418](#) is a 10m chain with a 21L x 3 mm diameter link size

[750-424](#) is a 10m chain with a 19L x 3 mm diameter link size

[750-430](#) is a 10m chain with a 32L x 4 mm diameter link size

[750-446](#) is a 10m chain with a 21L x 5 mm diameter link size

[750-452](#) is a 10m chain with a 35L x 5 mm diameter link size

[750-468](#) is a 10m chain with a 25L x 6.5 mm diameter link size

[750-474](#) is a 10m chain with a 42L x 6 mm diameter link size

[750-480](#) is a 10m chain with a 38L x 7 mm diameter link size

General Specifications

Chain Type	Link
Material	Steel
Finish	Galvanised
Link Type	Long
Application	Ships, near water, or in moist environments, Lifting purposes, suspension purposes, gates or gas cylinders in light to medium duty applications.

Mechanical Specifications

Length	10m
Link Diameter	2.5mm
Link Length	24mm
Link Width	4.5mm
Lifting Load	30kg

Approvals

Standards Met

DIN 5685
