

## FEATURES

- Noise reduction
- Reduce contaminants expelled into the atmosphere

# RS PRO PSU Exhaust Silencer

RS Stock No.: 2351217

### Product Description

Part No.	Thread Size
2351217	1/8" BSPP

## Features

- Used to help vent pressurized air into the atmosphere safely
- Cost-effective way to address excessive noise levels of pneumatic systems in the workplace
- Can also reduce the number of contaminants expelled into the atmosphere

## General Specifications

<b>Working pressure</b>	100 psi
-------------------------	---------

## Materials

<b>Body</b>	POM
<b>Filter</b>	PE
