

Form for product change and product discontinuation notifications (PCN) and (PDN)

Master data of the manufacturer

Identification key (ID) of the PCN / PDN:	PCN26xx	Optimization of the Plastichousing S82	PCN
Date of publication:	12.06.2026		
Revision number: (optional)		Series: 82	Type of notice

Contact

Company name: EAO AG

Short name: EAO

E-mail address: info@eao.com

Street: Tannwaldstrasse 88

Postal code: 4601

City: Olten

State: Solothurn

Country Code: CH

Manufacturer's Affected Items

Pos.	Manufacturer part number	Designation (Name/short text)	Category of the item	
1	See attached List	See attached List	others	
Type designation or drawing (if applicable)			Revision status (if applicable)	
SOP (optional)	EOS (if applicable) 12.06.2026	EOP 12.06.2026	LTD (if applicable)	EOSR (optional)
Other identifying characteristics (optional)		Category of the type of PCN/PDN Form and appearance	Manufacturer part number of the proposed replacement (if applicable)	

Description given by the manufacturer

Technical Description

- Prevention of incorrect assembly through defined plug-in orientation (poka-yoke)
- Improved user guidance during installation
- Increased process reliability in assembly (internally and at customer sites)
- Optimized mechanical connection through enhanced geometry

Attachment (optional)

List of affected Articles

Identification of the changed item(s)/product (if applicable)

Legend

PCN	Product Change Notification
PDN	Product Discontinuance Notification
SOP	Start of Production
EOS	End of Sale
EOP	End of Production / Effective Date
LTD	Last Time Delivery
EOSR	End of Service and Repair

Item	Description EN
