

FEATURES

- **2:1 Shrink Ratio:** Provides a tight fit over irregular shapes and connections
- **51 mm Sleeve Diameter:** Accommodates larger cables and bundles
- **Halogen-Free Material:** Reduces toxic emissions in case of fire
- **Polyolefin Construction:** Offers excellent insulation and durability
- **1 m Sleeve Length:** Suitable for a variety of applications and easy to cut to size

RS PRO 2:1 Heat Shrink Tubing, 51 mm Sleeve Diameter

RS Stock No: 671-568

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO heat shrink tubing is designed for insulating and protecting electrical connections. With a 2:1 shrink ratio, it effectively reduces in size to fit snugly around wires and cables, ensuring a secure and durable insulation. Made from polyolefin, it is halogen-free, making it suitable for environments where safety and reduced toxicity are priorities.

General Specifications

Colour	Black
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	25.5 mm
Sleeve Diameter	51 mm
Sleeve Length	1 m

Approvals

Standards/Approvals	REACH, RoHS
