

FEATURES

- Heavy-duty, multi-purpose RS PRO shelf trolley
- Specially formed aluminium uprights and plastic shelves form a lightweight frame
- Stability and strength is provided through the ribbed shelving
- Two of the four wheels are braked for increased safety
- Plastic parts on the trolley are made from high-density polyethylene

RS PRO 2 Shelf Aluminium Trolley, 630 x 424mm, 100kg Load

RS Stock No.: 669-3765

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the RS PRO Shelf Trolley, ideal for transporting items in factories, warehouses and much more. The robust trolley is designed to look professional in any setting that it's used in and offers a bi-material finish that's easy to keep clean and hardwearing against harsh liquids, handy when in use within industrial environments. The specially formed aluminium uprights and ribbed plastic shelves create a frame that ensures durability and strength while offering optimum storage and transport capacity. Additionally, the trolley features a lockable drawer to store and transport valuable goods. With a 100 kg load capacity, a heavy-duty frame and four hardwearing swivel rubber wheels, this RS PRO trolley is an ideal investment that is versatile enough to be used across a wide range of applications.
