From preparation to finish, abrasives play a key role in all bodyshop processes. 3M have developed a full range of abrasives to suit every type of application incorporating innovative technologies for superior performance, anti loading and consistent finish. From small awkward area to tough e-coat removal, our abrasives are available in a wide variety of sizes and grades to secure the perfect finish

Use Scotch-Brite™ Disc Mandrel in conjunction with unitised wheels. Our disc mandrels allow unitised wheels to be mounted onto the appropriate tools.
