Product Description

The Standard Catering First Aid Kit provides food service workplaces the first aid provisions they need to ensure they are HSE compliant, enabling them to deliver effective first aid whenever it is needed.

The first aid kit contains high-quality blue items which are easy to spot should they fall into food, ensuring adherence to regulations. This makes the Catering First Aid Kit ideal for use by caterers, kitchen staff and food production line workers. The premium first aid items are safely stored in a durable Evolution first aid box.

The Standard Catering First Aid Kit is available in the following sizes:

- Small (1 - 10)
- Medium (11 - 20)
- Large (21 - 50)

The wall bracket EVB03 (sold separately) features a quick release mechanism that allows you to remove it from the wall instantly in an emergency.

The kit size you need to be HSE compliant is reliant on your risk assessment.
