– Can be securely attached to vehicles or fixed onto structures, offering flexible mounting options.
- **Durable SBR/NR Rubber Construction:** Made from high-quality rubber, ensuring resilience in demanding environments

## RS PRO Trapezium Dock Bumper 2 Fixings 450mm Length x 250mm Width x 100mm

**Height SBR/NR**

**Vendor Partcode.: 0688202**

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

## Product Description IBUTE

*RS PRO Trapezium 2-Hole Dock Bumper is expertly designed to provide superior protection against heavy impacts, safeguarding both vehicles and structures in high-traffic areas. Built from durable SBR/NR rubber, this dock bumper is engineered for long-lasting performance while being easy to install using just two fixings. Whether for warehouses, loading bays, garages, or marine applications, this heavy-duty bumper ensures maximum impact absorption, reducing the risk of costly damage. Upgrade your loading dock safety and vehicle protection with the RS PRO Trapezium 2-Hole Dock Bumper, a reliable solution for preventing damage and enhancing durability in commercial and industrial settings.*
