

## FEATURES

- **2 m Length:** Offers flexibility and reach for various setups
- **IEC C13W to BS 1363/A Connectors:** Ensures compatibility with a wide range of devices
- **13 A Current Rating:** Supports high-power devices safely
- **250 V Voltage Rating:** Suitable for standard electrical systems
- **Angled Mains Socket Type:** Facilitates easy connection in tight spaces
- **Black Polyvinyl Chloride Jacket:** Provides durability and protection

## RS PRO 2 m Power Cable, IEC C13W to BS 1363/A

RS Stock No: 558-935

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This RS PRO power cable is designed to provide a reliable connection between devices and power sources. With a length of 2 metres, it is ideal for use in environments where flexibility and reach are required. The cable is equipped with an IEC C13W connector on one end and a BS 1363/A connector on the other, making it suitable for a variety of electrical applications.

## General Specifications

Connector Type A	IEC C13W
Connector Type B	BS 1363/A
Jacket Colour	Black
Mains Socket Type	Angled
Product Type	Power Cable

## Mechanical Specifications

Cable Length	2 m
Jacket Material	Polyvinyl Chloride

## Electrical Specifications

Current Rating	13 A
Voltage	250 V

## Approvals

Standards/Approvals	ASTA, CCCs, CSA, EAC, ENEC 11, ICC, JET, PSE, RCM N10544, Singapore Safety Mark, UL
