

For use with TO-220/TO-202 packages

Part Number - 531202B00000G

RoHS    
 Compliant

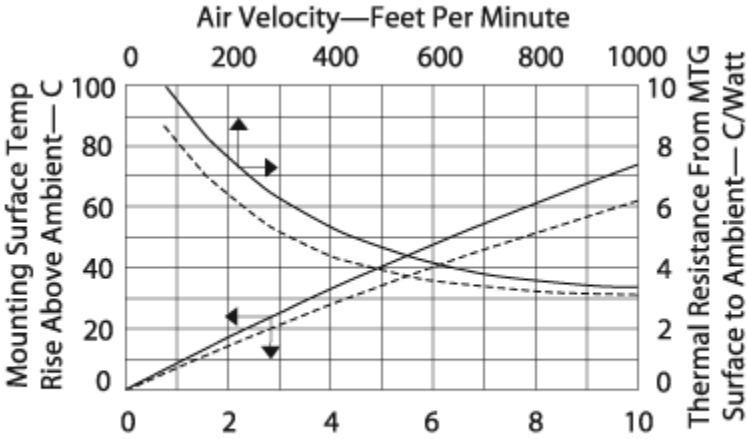

### Mechanical Outline Drawing

H Dim 50.80

# Thermal Curves

Thermal Resistance	7.50
--------------------	------

Thermal resistance value is based on a 75°C rise in natural convection

531202 — Heat Dissipated—Watts  
 531302 - - - - -

# Product Information

Part #	Description	Finish	Board Mounting
531202B00000G	Extruded heat sink with radial fins and notched base	Black Anodize	<a href="#">View Hole Dimensions</a>
