RS PRO Protective Post Barrier - 1200 mm x 159 mm

RS Stock No: 174-5949

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Safety Barriers

Product Description

Safeguard your sensitive areas with this RS PRO protection barrier. Made from steel and coated in a high-vis yellow & black paint to provide a high-impact protection bollard. The barrier post prevents physical or material damage to serviceable equipment and facilities control environments. It is floor-mounted via the integrated base plates and fixings purchased separately. Once installed, the post creates a visible and permanent guard protection that can withstand substantial impacts from trolleys and forklifts.
