RS PRO 4K - HDMI to DVI-D Cable, Male to Male- 1m

RS Stock No.: 182-8878

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Need to play videos from a laptop on a large-screen HDTV? This HDMI male to DVI-D male cable from RS PRO provides a fast digital connection to your screen, delivering a high-quality picture from an HDMI or DVI-D source.

The cable offers an effective choice for transmission between graphics cards and digital monitors and can be used with computer monitors, notebooks and TVs. The dual-link cable will support 4K resolution too, so you can reap the full benefit of modern Ultra High Definition (UHD) TVs.
