

FEATURES

- **2:1 Shrink Ratio:** Provides a snug fit for various cable sizes, enhancing insulation.
- **Polyolefin Material:** Offers excellent durability and resistance to environmental factors.
- **Halogen-Free:** Ensures safety by reducing toxic emissions in case of fire.
- **Available in Green and Yellow:** Provides colour coding options for easy identification.
- **REACH and RoHS Compliant:** Meets key safety and environmental standards.

RS PRO 2:1 Heat Shrink Tubing, Polyolefin Material

RS Stock No: 671-571

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO offers a reliable heat shrink tubing solution with a 2:1 shrink ratio, designed for effective insulation and protection of wires and cables. Made from durable polyolefin, this tubing is ideal for applications requiring halogen-free materials, ensuring safety and compliance with environmental standards.

General Specifications

Colour	Green, Yellow
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	3.2 mm
Sleeve Diameter	6.4 mm
Sleeve Length	100 m

Approvals

Standards/Approvals	REACH, RoHS
