

Leiterplatten-Layout Vorschlag für SMT

PCB-Layout Proposal for SMT

Verpackt in Gurtverpackung  
Verpackungseinheit: 280 Stück

- Tape on Reel Packaging  
- Packaging unit: 280 pcs

Abspulrichtung - Reel off Direction

Anforderungsstufe 1  
Performance Level 1

Kontaktbereich vergoldet  
Mating Area gold plating

Anschlussbereich verzinkt 4-6 µm  
Terminal Area 4-6 µm tin plating

Koplanarität der Anschlüsse ≤ 0.1mm  
Coplanarity Area of Termination ≤ 0.1 mm

BA7-13 - mm Bauhöhe

type7-13 - Low Profile

|                                                                                                                                                                             |                                                                                       |                                                                                          |                                                                                                                                                       |
