- 4", 6" and 8" puller arms and twin/triple yokes give option on pulling job.
- Ideal for servicing passenger cars, light/heavy duty trucks, off-road construction equipment, marine and mining applications.
- Separator capacity: 75mm-105mm
- Working force: 8~10 tonne

## RS PRO Hydraulic Bearing Puller, 75-105mm Capacity, 8t Force, 22 Piece

RS Stock No.: xxx-xxxx

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

### RS PRO 22PC Hydraulic Puller Set

This ergonomically designed Hydraulic Puller from our own RS PRO brand will eliminate time-consuming and unsafe hammering, heating or prying whilst on the job. Damage to parts is minimized through the use of controlled hydraulic power and it is easily operated by one person.

#### Application for Hydraulic Puller:

- Motor repair shops
- Service companies
- Maintenance shops
- Mining
- Paper mills
- Chemical plants
- Shipping
- Offshore

## General Specifications

Capacity	75- 105mm																										
Puller Type	Bearing Puller																										
Operation	Hydraulic																										
Hydraulic Force	8.0t
