

## FEATURES

- **2:1 Shrink Ratio:** Allows for a tight fit around components, enhancing protection and insulation.
- **Polyolefin Material:** Offers excellent resistance to chemicals and abrasion, ensuring long-lasting durability.
- **Halogen-Free:** Environmentally friendly, reducing the release of toxic gases in case of fire.
- **19 mm Shrunk Diameter:** Provides a snug fit for a wide range of wire sizes.
- **1 m Sleeve Length:** Suitable for various applications, offering flexibility in use.
- **REACH and RoHS Compliant:** Meets key safety and environmental standards.

## RS PRO 2:1 Black Heat Shrink Tubing, 38mm Diameter

RS Stock No: 671-563

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This RS PRO heat shrink tubing is designed to provide reliable insulation and protection for electrical connections. With a 2:1 shrink ratio, it effectively reduces in size to fit snugly around wires and components, ensuring a secure and durable fit. Made from polyolefin, this tubing is halogen-free, making it an environmentally friendly choice for various applications.

## General Specifications

Colour	Black
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

## Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	19 mm
Sleeve Diameter	38 mm
Sleeve Length	1 m

## Approvals

Standards/Approvals	REACH, RoHS
