STORAGE

DESCRIPTION

WORKBENCH FURN. 1 DRAWER: 1 X 490 MM

This 630 x 660 x 845 mm workbench will help you organise your workshop thanks to its optimised interior storage.

The 490 x 380 mm drawer opens fully on ball-bearing runners and has a full-length handle with a hand-safe fold, giving you quick and easy access to the inside of the drawer.

Two support brackets allow you to position 1 or 2 bin liners in the inner frame.

Perforations on the sides also allow you to hang additional tools or options for even more efficient organisation.

You can also customise your workbench by combining it with options such as trays, castors or handles for even more practical use.
