RS Stock No.: 0360145

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

*RS PRO Oil Only land boom is designed to stop spills from spreading. The long tubular shape allows the product to be used as a barrier around the affected areas. The product is flexible - it can be bent and shaped as required. The outer skin is made of spunbond. The Oil Only land booms are suitable for hydrocarbons ONLY. The product will repel water. Finished in bright white for greater contrast with oils and petroleum products.*
