

# RACKS FOR SMALL SCOOP COMPARTMENT BOXES

Durham's Small Racks (SR) are designed to hold small scoop compartment boxes. They are manufactured of prime cold rolled steel and are finished in rust and acid resistant baked enamel. All parts, including cradles which support scoop boxes, and coated slides and tracks, are tooled for

quality and uniformity. A center panel on each cradle supports boxes and special stops prevent units from being accidentally pulled from the rack. Racks are reinforced for strength and support loaded boxes in the open position without tilting.

**MODEL 308\***  
(6SR)

**MODEL 307\***  
(4SR)

**MODEL 306\***  
(2SR)

**MODEL 315\*** (BSR) rack base (15½"W x 15½"H x 12½"D; weight 12 lbs.) available for all small (SR) slide racks.

Plated locking hinges with swivel padlock attachments are available. **MODELS 313\*** for use with the Model 307, and **312\***, for use with the Model 308, lock scoop boxes into the racks and hold them securely in place. They have mounting holes and can be easily installed using sheet metal screws or pop rivets. Padlock not provided.

Small Scoop Compartment Boxes (DS) are sold separately. Refer to page six.
