01) 6(4) A 250 V ~, T85, pattern No. 1, 2, 6 or 6/2  
type 621....., with rocker actuator

02) 6(4) A 250 V ~, T85, pattern No. 1, 2, 6 or 6/2  
type 611....., with lever actuator

Manufacturer: Carlingswitch Inc. Plainville, CT or

Carlingswitch Inc. Brownsville, Texas or

Interruptores De Mexico, SA. de C.V., Mexico

The product type has been tested according to the Danish Heavy Current Regulations, Section 148-1, 2.ed.

The approval applies to products, strictly identical with the submitted and approved product type. If you make any alteration of the product, including the marking, you are obliged to inform DEMKO about this by letter.

The examination was carried out according to the agreement on Nordic Certification Service and in consideration of the common Nordic regulations and national deviations.

The approval is considered as a formal document, stating that the product was completely tested according to IEC 1058-1:1990 incl. A1:1993 and as a statement of fulfilment of these standards, unless otherwise stated below.

Automatic approval is applied for to the following representatives:

**Norway, Sweden and Finland**

Carlingswitch Inc.  
60 Johnson Avenue  
Plainville, CT 06062  
U.S.A.

Before the product is marketed as approved in another Nordic country, an approval from the certification body of this country must be available.

The approval is valid until 2006-06-28 unless otherwise notified or the regulations are changed.

The product may display the registered mark of approval ®.

In order to obtain approvals in the other Nordic countries the product must be provided with the respective countries' marks of approval.

The submitted equipment has been destroyed.

The invoice will be sent under separate cover.

Yours faithfully  
For DEMKO

  
N.B. Nielsen  
Section Manager
