

DisplayPort to VGA Adapter Converter - DP to VGA - 1920x1200

Product ID: DP2VGA3

The DP2VGA3 DisplayPort to VGA adapter lets you connect your DisplayPort-equipped desktop or laptop computer to a VGA monitor or projector, eliminating the expense of upgrading to a DisplayPort display.

The DP to VGA adapter supports resolutions up to 1920x1200 including 1080p ensuring you can convert your DisplayPort video source to work with your VGA projector or display without sacrificing video quality.

For a hassle-free setup the DisplayPort adapter allows for plug-and-play installation with no software or drivers required.

The DP2VGA3 is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Extend your desktop to a secondary display, by connecting a VGA monitor to your DisplayPort port
- Connect your DisplayPort computer to a VGA projector
- Carry the adapter with you while travelling to ensure your laptop is compatible with VGA displays in BYOD applications

Features

- No software or drivers required
- Compact and lightweight design
- Supports video resolution up to 1920x1200 / 1080p
